ESR DESKpads & ChairMATS

*Essential Accessories for the
Workplace and Home Office*

Designer Mats

Complement a variety of furniture styles and configurations.

Featuring beveled edges for safety and easy rolling, ESR Designer mats stand up to the demands of today's office environments while offering a unique style.

Available for carpet or hard floor surfaces.

Foldables

With patented removable handles and superior fold, folding chairmats are quick to carry and easy to move.

ES Robbins is the only company who offers the SUPERIOR FOLD. Chair rolls smoothly over fold! No soft spots and no sinking feeling.

Options include high clarity PVC chairmats and Polypropylene chairmats offered in a variety of sizes, shapes and textures.

Available for carpet or hard floor surfaces.

Runners

ES Robbins offers a complete line of runners including the revolutionary AnchorPro™, the carpet protector that stays put.™ The proprietary design involves a pattern of cleats extending in four different directions that lock with the fibers of the carpet. When removed, the cleats release from the carpet with no damage or stress to the carpet fibers. AnchorPro™ is unconditionally guaranteed not to crawl, wrinkle, slip or curl.

AnchorPro™
Patented Four-Way
Cleat System

ESR DESKpads™

ES Robbins unconditionally guarantees that its Anchormat®, AnchorBar®, Crystal Edge®, TBS, Trans-Stat®, Foldable™, Designer chairmats and AnchorPro™ are free from any defects in material and workmanship at the time of sale to the original purchaser, and will not crack, chip, break or shatter under normal usage. This guarantee is void if metal casters are used. Static dissipative properties for Trans-Stat® are guaranteed for three years. Any chairmat will be replaced after prior written approval from ES Robbins home office. This foregoing is in lieu of all other warranties expressed, implied and statutory. In no event shall ES Robbins Corporation be liable for any special or consequential damage or for any delay in performance under this guarantee.
