

AnchorBar[®]

Grips the Carpet, Not You!

The patented AnchorBar[®] cleat system makes chairmats less dangerous to handle. Using a series of staggered, perpendicular bars, the cleat system "anchors" the mat as securely as traditional cleats yet are gentle on the carpet and fingers.

- **Revolutionary patented AnchorBar[®] replaces sharp pin cleats**
- **Securely holds mat in place without damage to the carpet**
- **Crystal Edge provides smooth effortless roll; easy on and off**

Patent # 6,946,184
