NATURAL ORIGINS®

ES ROBBINS Natural Origins® desk pads are the first to replace traditional petroleum and fossil-fuel based phthalates with Gen7V®, a plant-based Biopolymer. Desk pads protect desks from scratches and stains as well as create a smooth writing surface reducing writing fatigue. Beautiful black desk pad provides a professional look and can be used as a mouse pad.

- Phthalate FREE and Cadmium FREE
- Only USDA Certified Biobased Desk Pad in the Office Products Industry
- Renewable plant-based materials help reduce adverse environment and health impacts
- GREENGUARD Gold certified for low chemical emissions to UL 2818
- Specially formulated with an antimicrobial agent
- Made in USA

**WORKS GREAT
AS A MOUSEPAD**

The USDA BioPreferred program mandates and defines standards for federal government procurement programs as outlined in the President's Federal Leadership in Environmental, Energy, and Economic Performance Executive Order 13514 for environmental stewardship.
