PLANT SOURCES

NATURAL ORIGINS®

ES ROBBINS Natural Origins® Chair Mats are made with renewable plant-based materials to help reduce environmental impact. First USDA Certified chair mats on the market, Natural Origins® replaces traditional petroleum and fossil-fuel based phthalates with Gen7V®, a plant-based biopolymer. An essential addition to your workspace, Natural Origins® chair mats protect floors from wear and provide a smooth rolling surface that enhances ergonomic comfort by increasing your mobility.

- Protects floors from chair caster wear and tear
- Increase ergonomic comfort with a smooth rolling surface
- First USDA Certified Biobased chair mat
- USDA mandatory federal purchasing qualified
- Made with renewable plant-based materials to help reduce environmental impact
- GREENGUARD Gold Certified for low chemical emissions to promote a healthier indoor workspace
- Made in USA

FEATURES ANCHORBAR® CLEAT SYSTEM

Carpet chair mats feature an exclusive AnchorBar® cleat system that grips carpet and is easier to handle than sharp traditional pointed cleats.
