NATURAL ORIGINS®

ES ROBBINS Natural Origins® Desk Pads are made with renewable plant-based materials to help reduce environmental impact. First USDA Certified desk pads on the market, Natural Origins® replaces traditional petroleum and fossil-fuel based phthalates with Gen7V®, a plant-based biopolymer. Stylish and professional, Natural Origins® desk pads protect your desk from wear and provide a smooth surface to ease writing fatigue.

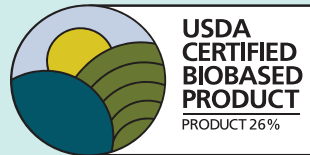

- Protects desk from wear while providing a smooth surface to ease writing fatigue
- First USDA Certified Biobased desk pad
- Made with renewable plant-based materials to help reduce environmental impact
- Specially formulated with an antimicrobial agent
- GREENGUARD Gold Certified for low chemical emissions to promote a healthier indoor workspace
- Made in USA

**Not recommended for use on acrylic, lacquer or urethane finishes.*
